Re Shares and Fees

The Calgary Curling Club have made arrangements for the Club to arrange transfers of shares carrying playing rights and none will be transferred except by this arrangement through the Board of Directors. Shareholders who wish to dispose of their shares are requested to contact the Secretary of the Club, and any who wish to purchase shares are requested to make application in writing to the Club Secretary.

Any shareholder who wishes to have some other person curl on his share must submit the name of the said party to the membership committee for approval.

In addition to owning a share or curling on one by proxy, each curler must pay his regular annual club fees. The fees for the 1954-55 season have been set by the Board of Directors at Fifty Dollars, payable Twenty-Five Dollars on October 18th, 1954, and Twenty-Five Dollars on or before January 15th, 1955. NO deviation from these dates will be permitted. Any members or persons using the facilities of the rink may, at the discretion of the Board of Directors, be suspended for non-payment of dues or any other conduct not deemed by the Board of Directors to be in the best interests of the Club. The Board of Directors may at their discretion declare the

playing share of any person or persons so suspended to be cancelled and the funds obtained from the resale of such share may be used to pay off any indebtedness of such person or persons to the club, and the balance refunded to the shareholder.

CALGARY CURLING CLUB PLAYING RULES

All games shall be played under the rules of the DOMINION CURLING ASSOCIATION EXCEPT where the following rules apply. (A copy of the Dominion Curling rules may be obtained from the secretary/treasurer.)

1.—Games must be played on the date drawn, unless cancelled by the draw committee.

2.—All rinks participating in club games must be composed of at least two regular players belonging to that rink, otherwise the game must be defaulted, PROVIDED however where a rink is reduced to one player due to the absence of members of the rink participating in a bone fide open bonspiel, three substitutes may be used. ROVERS are members of ALL rinks and may be played in any position. Skips are requested as far as possible to exhaust the list of rovers before using

members of other rinks as substitutes. A list of rovers will be found in this book and also posted in the rink.

3.—If a rink is present ready to play on the date drawn and the opponents fail to appear within thirty minutes after starting time, the game will be forfeited to the rink present. One point shall be awarded for every ten minutes the opponent is late.

4.—If BOTH rinks fail to appear on the date drawn, the game shall count as a loss to each rink, unless special arrangements have been made with the draw committee.

5.—All games will start at 7 p.m. and 9:15 p.m. unless otherwise arranged. A warning buzzer or gong will be sounded in the rink at 8:55 p.m. and no further ends may be commenced after the gong has sounded. The end in progress shall be finished. The sounding of the gong does not apply to games that are tied. All tie games must be played to a finish.

6.—In all cases where substitution is necessary, members of the rink move up and the substitute shall lead. This does not apply to Rovers who may play in any position at the discretion of the skip.

7.—Rocks are provided free of charge. They are all matched and numbered and under NO CIRCUMSTANCES may be

transferred from one sheet to another or removed from the building.

8. Lockers are included in the curling fee.

RULES ON POINT COMPETITION

A DIAGRAM FOR THE PROPER PLACING OF ROCKS IN POINT COMPETITION WILL BE POSTED AT THE WEST END OF THE ICE AREA. Each competitor to play shots, two out-turn and two in-turn and each successful shot shall count as hereinafter provided:

(a) STRIKING—A stone placed on the sweeping score, with its inner edge 2 feet from the tee. If struck count one; if struck out of the 12 foot circle count 2.

(b) INWICKING—Place one stone on the tee and another with its inner edge 2 feet 6 inches from the tee, and its foredge on a line drawn from the tee at an angle of 45 degrees with the central line; if the played stone strikes the latter on the inside to count, if it perceptibly moves both stones to count 2.

(c) DRAWING—If the stone played lies within or on the 12 foot circle, to

count 1; if within or on the 8 foot circle to count 2.

(d) GUARDING — A stone to be guarded placed with its foredge on the tee. If the played stone rests within 6 inches of the central line to count 1; if on the line to count 2. It shall be over the hog, but not touch the stone to be guarded.

(e) CHAP AND LIE—If the stone placed on the sweeping score with its inner edge one foot from the tee be struck out of the 12 foot circle and the played stone rests within or on the same circle to count 1; if struck out of the 12 foot circle and the played stone rests within or on the 8 foot circle to count 2.

(f) WICK AND CURL IN—A stone being placed with its inner edge 6 feet distant from the tee and its foredge on a line marking an angle of 45 degrees with the central line. If the stone is struck and the played stone curls on or within the 12 foot circle, to count 1; if struck and played stone rests on or within the 8 foot circle, to count 2.

(g) RAISING—A stone placed with its centre on the central line and its inner edge 8 feet distance from the tee if struck within or on the 12 foot circle, to count 1; if struck within or on the 8 foot circle, to count 2.

(h) DRAWING THROUGH A PORT—One stone to be placed with its inner

edge on the central line, 10 feet in front on the tee, and another stone placed parallel thereto, and with its inner edge 2 feet from the central line; if played stone passed between these two stones without touching either and rests within or on the 12 foot circle, to count 1; if within or on the 8 foot circle, to count 2.

(i) CHIPPING THE WINNER—A stone being placed on the tee and another 10 feet distant, and with its inner edge just touching the centre line, and half guarding the one on the tee, and a third stone being placed 4 feet behind the tee with its inner edge touching the centre line, but on the opposite side from that on which the guard is placed. If the played stone strikes the stone placed behind the tee, to count 1; if it strikes the stone on the tee, to count 2.

NOTE. A player may sweep his own stone, but no other person is allowed to do so.

USEFUL HINTS FOR CURLERS

1.—Remove rocks from the vicinity of hacks.

2.—Report all loose handles or other hazards to the rink manager.

3.—Please stay ON the ice during games and stay OFF the walks.

4.—Please help to keep ice clean from dirt and refuse.

5.—Always be ready to play when your turn comes; have your stone LOCATED and ready at the hack immediately your opponent has played .

6.—Clean the bottom of your stone AND the ice immediately in front of you before you deliver your stone.

7.—When ready to play NEVER look at the stone you are playing until after it has left your hand. KEEP YOUR EYES ON THE SKIP'S BROOM.

8.—Be ready to sweep your rinkmate's stone.

9.—Players should keep out of the rings unless sweeping and must NOT sweep past the tee line. The Skip OR the Vice-Skip are the only ones permitted to sweep behind the tee line and then only ONE AT A TIME.

10.—Be careful not to disturb stones that are in play while sweeping.

11.—Never walk or run down the centre of the ice, keep to the sides. It is considered very discourteous to make unnecessary movements of yourself or broom while an opponent is in the hack about to deliver his rock. Stand as still as possible until after delivery.

12.—Under no circumstances should a lead or second offer any comment on how the game should be played unless asked their opinion by the skip.

13.—VERY IMPORTANT: BE ON TIME. THIS WILL BE INSISTED ON.

14.—If a player finds it impossible to attend a game he is requested to notify his skip well beforehand so that a suitable substitute may be arranged.

15.—TO SKIPS AND VICE-SKIPS: A successful season depends almost entirely on the skip, who should encourage each curler on his team to play every game possible. With so many new curlers a telephone call will undoubtedly bring out the players who are backward or not well acquainted with the Club. See that all players know each other. Eventually friendly enthusiasm will be created that will eliminate need for phone calls.

16.—If you are unable to play your games when drawn, be courteous enough to call your opponent and advise him in ample time.

17.—If any game is to be cancelled PLEASE phone the rink as soon as possible so that the ice could be made available to other curlers.

18.—ALL scoreboards must be made out carefully by the Vice-Skip, signed by the opposing Vice and turned in to the secretary's office. Failure to do this will result in the game being entered as unreported.
